

WHAT IF YOU STARTED A GARDEN AND EVERYONE CAME?

Sam Levin & his friends Natalie Akers, Kurt Alles, Annalena Barrett, & Ben Fish lead a 12,000-square-foot organic, student-initiated, student-run vegetable garden at their high school. Classes visit almost every day, and the garden, which includes an heirloom fruit orchard & a moveable hoop house, supplies the school cafeteria with fresh produce.

COME HEAR THEM SPEAK ABOUT
PROJECT SPROUT
AT 6:30 PM, THURSDAY MARCH 25
IN ALFOND HALL AUDITORIUM
AT ST. JOSEPHS COLLEGE

Sponsored by the Saco Valley/Lakes Region Food Policy Council
